All colors for house painting must be selected from the Heritage Harbor Paint Book. If the present colors of your house are not in the paint book, you must select colors from the paint book.

The body and trim colors must stay together and are not interchangeable with other schemes. Your front door can be any of the front door colors offered for that color scheme. If your home has shutters, they will be the same color as the front door. Only colors from the color chart will be approved.

PLEASE CHECK SCHEME # AND CHECK TRIM AND DOOR OPTIONS FOR THAT SCHEME.
